

Upstate Roller Girl Evolution

Who We Are:

The URGE is an Easley-based women's roller derby team. Modern roller derby is a fast-paced contact sport that requires speed, strategy, and athleticism.

We are a completely volunteer-run organization, "by the skaters, for the skaters," and our skaters are an incredibly diverse group of women from all walks of life - teachers, engineers, artists, members of the military, and more. The league's vision is to promote athleticism, diversity and roller derby, and foster self-worth, personal strength, and female empowerment.
